**GUIDELINES FOR EXTENDING SUGARCANE
NURSERY PREMIUM FOR RAISING 10 ARES OF
NURSERY AT THE RATE OF ₹ 4,000 FOR SUPPLY OF
SEED MATERIALS TO PLANT ONE HECTARE OF
SUGARCANE**

Introduction.— Sugarcane is the major cash crop in the Puducherry region with average gross cultivated area of about 2,000 Ha. annually. Major cultivable area

in Puducherry region is irrigated garden land and wet land. Sugarcane cultivation in Puducherry region is attributed with well-established two sugar mills *viz.*, Puducherry Co-operative Sugar Mill, Lingareddipalayam, Puducherry and E.I.D. Parry Private Limited, Ariyur, Puducherry. These two mills play a vital role in cultivation of sugarcane in the operational area of the mills in the Puducherry region.

At present, sugarcane cultivating farmers in Puducherry region are facing many problems starting from nursery raising, non-availability of inputs in time, high input cost, expenses on pesticide, non-availability of agricultural labour and escalating cost of labour which ultimately leads to high cost of sugarcane cultivation, harvesting difficulties, loss due to natural calamities like cyclone and heavy rain, impacts on sugar recovery and multifarious problems, etc. These factors deter the sugarcane growers/farmers from practising their occupation thereby creating discouragement towards farming. In these circumstances, it is the responsibility of the Agriculture Department, Government of Puducherry to motivate the farmers so as to provide better atmosphere and sustain their interest by implementing various farming oriented assistance measures.

With a view to popularise cultivation of sugarcane, production and productivity of sugarcane in Puducherry region with well-established two sugar mills, the Agriculture Department had designed a scheme with financial assistance as nursery premium to sugarcane nursery growers for multiplication of quality high yielding variety of sugarcane setts under the supervision of sugar mills. The objective of extending premium to the sugarcane nursery growers is to compensate the yield loss and cultivation expenses exclusively for multiplication of sugarcane setts only.

The operation of the scheme is vital for the mill authorities as well as for the Agriculture Department as new and high yielding varieties of sugarcane setts are multiplied by the farmers under supervisions of the sugar mills with the financial assistance from the Department of Agriculture as nursery premium.

Objective of the scheme.— (a) to sustain as well as to increase the area under sugarcane cultivation.

(b) to encourage the farmers in growing sugarcane nursery for multiplication of quality high yielding variety-*cum*-sugar rich setts to meet the requirements of sugarcane growers.

(c) to encourage the farmers for taking up sugarcane cultivation.

(d) to increase the area under high yielding variety of sugarcane crop and improve the production potentials.

(e) to provide monetary assistance to the registered sugarcane nursery growers.

Scale of financial assistance.— Sugarcane nursery premium @ ₹ 4,000 for raising 10 ares (25 cents) of nursery for supply of seed materials to plant one hectare of sugarcane main field.

Eligibility criteria.— (1) The sugarcane farmers willing to grow nursery shall register their farm in the sugar mill.

(2) Sugarcane nursery growers must cultivate nursery farm in the operational area of sugar mill which is confined to Puducherry region only and shall register their nursery farm in respective sugar mill.

Enrolment of beneficiary.— The Department of Agriculture will make publicity through mass media and extension officials of Uzhavar Udhaviyagams and the sugarmills to create awareness among the farmers about this component of sugarcane nursery premium. To avail this subsidy, the farmers in Puducherry region would be advised to get prescribed application forms from the Office of the Additional Director of Agriculture (T&V), Thattanchavady. The applications will be given only to the registered sugarcane nursery growers of the sugar mills and they are advised to furnish the details and enclosures with due certification from the respective sugar mill authority. The filled-in application is to be submitted directly to the Office of the Additional Director of Agriculture (T&V), Thattanchavady, Puducherry before due date prescribed every year. The Agricultural Officer (Sugarcane) will scrutinise the applications and make necessary field survey to assess the genuinity of the case, if necessary and prepare a list of beneficiaries, after exercising proper verification and submit such list to the Deputy Director of Agriculture (Inputs) and Additional Director of Agriculture (T&V), Thattanchavady, Puducherry for approval.

Mode of disbursement of nursery premium to the sugarcane nursery growers.— (i) The Directorate of Accounts and Treasuries, Puducherry will issue self-cheque in favour of the Drawing and Disbursing Officer, Office of the Additional Director of Agriculture (T&V), Thattanchavady, Puducherry who in turn will deposit the amount in the account of the Additional Director of Agriculture (T&V), Puducherry to be opened in a nationalised bank. The Deputy Director of Agriculture (Inputs), Thattanchavady, Puducherry will be authorised for operating the accounts and arranging disbursement of amount.

(ii) The bank will be advised to transfer amount to the farmers who have account in the banks which have core banking facilities through ECS.

(iii) In respect of other beneficiaries, the authorised officer *viz.*, the Deputy Director of Agriculture (Inputs), Thattanchavady will release the amount to the concerned Primary Co-operative Agricultural Society/Rural Bank by way of crossed cheque along with list of beneficiaries with their bank account details and in turn the Primary Co-operative Agricultural Society/Rural Bank will credit the subsidy amount to the respective farmers account.

(iv) After crediting, the bank shall send the Statement of Disbursement to the Additional Director of Agriculture (T&V), Puducherry for reference and record, which will be submitted by the Drawing and Disbursing Officer concerned to the Directorate of Accounts and Treasuries, Puducherry towards rendering of accounts.

(v) Any future claims/discrepancies should be examined by the Deputy Director of Agriculture (Inputs), Thattanchavady in consultation with the Additional Director of Agriculture (T&V) and ascertain about the genuineness of the claim and settle it with the approval of Director of Agriculture-*cum*-Commissioner of Sugars, Puducherry.

(vi) The Department should ensure that the subsidy is credited to the beneficiaries account by the concerned banks and collect the disbursement details immediately and render adjustment to the Directorate of Accounts and Treasuries, Puducherry,

Competent authority.— The Secretary (Agriculture) shall be the competent authority for making any modification, if any required in this schematic guidelines.
